

StudentBridge

Connecting Students with Local SMEs

Individual Assignment – 2DV614, VT26

2026

The Problem

SME side

- Small tasks (10–20 h) with no in-house resource
- Cannot afford a full-time hire

Student side

- Hard to find real-world experience
- Traditional internships are scarce

Two pain points – one marketplace.

The Solution – StudentBridge

- Online platform for **short, paid mini-projects** (~ 10 h)
- SMEs post scoped tasks; students apply and deliver
- Student receives **300–500 SEK** + verified *Certificate of Work*
- Platform earns a **15% fee** per transaction

Unique Value Proposition

CV-worthy experience for students; affordable, fast delivery for SMEs.

Validation Results

A1 – SME Demand

17 / 40 SMEs replied

65% had a suitable task

47% accepted the price

A2 – Student Demand

84 survey responses

85% prefer real-world project
over online cert

Median target: 400 SEK

A3 – Platform Fee

5 follow-up calls

80% accepted the 15% fee
Small adjustment possible for
low-value tasks

- Revenue per transaction: **60 SEK** (15% of 400 SEK)
- Monthly fixed costs (MVP): **13 700 SEK**
- Break-even: $\approx$ **229 projects/month** $\approx$ 275 active SMEs
- 500 000 SEK grant $\Rightarrow$ **36-month runway**

Key scenarios

Base: break-even at month 15 **Pessimistic:** month 23 **Optimistic:** month 5

Next Steps

- 1 Build a **minimal prototype** (task board + profiles)
- 2 Recruit **5 SMEs** and **10 students** for a pilot
- 3 Complete one full project cycle to validate **delivery quality (A4)**
- 4 Formalise university career centre partnerships
